18 This matter is currently set for sentencing on November 3, 2016. The parties are currently in
19 receipt of the draft Presentence Investigation Report prepared by the Probation Office. The parties agree
20 that the Court and the Probation Office would benefit from further evidence regarding potential
21 restitution that is not presently available. The parties have agreed that a continuance of sentencing until
22 December 8, 2016 would provide sufficient time to obtain such evidence and to provide it to the
23 assigned Probation Officer, which will ensure that the Court has access to all relevant considerations
24 regarding restitution.

25 In light of these facts, the parties stipulate and request that the sentencing hearing currently
26 scheduled for November 3, 2016 be continued until December 8, 2016. Government counsel has
